**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is fundamental to a fair and just society to prevent the bullying tactics of the huge corporate monopolies who currently control Internet, cable and television services. My choice of a smaller, local provider is made upon their superior customer service, reliability and fair price.

Do not allow the monopolies to throttle the flow of smaller providers.
